MEASURING and HEIGHT CARDS

“If a measurement is necessary, it is the exhibitor’s responsibility to have their dog(s) measured prior to running.”

If your dog does not have a Permanent height card, or if your dog has turned 2 years of age, since getting your temporary height card, your dog NEEDS to be measured.

Exhibitors are **NO** longer required to send their height cards in with their entries, Jump Height cards are **NO** longer required to be shown during check-in.

The entry form has 3 new boxes:

- 1) My dog needs to be measured,
- 2) My dog has a Temporary Height Card,
- 3) My dog has a Permanent Height Card.

ONE OF THESE THREE BOXES MUST BE CHECKED.

All dogs competing in agility must possess an official AKC Jump Height Card. Dogs that do not have a valid Jump Height Card must be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch or 26-inch height division.

If an official measurer is present, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form must be measured for a Jump Height Card regardless of the jump height entered.

If there is not an AKC Field Rep or VMO in attendance, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form may still compete; however, they must be measured by a judge of record for the trial, prior to running at each trial. The judge’s measurement will be valid for this trial or back-to-back trials only.

If a dog is measured by an AKC Field Rep or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process.

See Simplified Jump Card Process Section for a complete AKC Explanation.

NOTES FROM TRIAL SECRETARY

Signature Waiver - Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver on any overnight package. My Post Office will not even attempt to deliver packages that require a signature.

Move Up Deadline - Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those move-ups in right away.

Novice Exhibitors – please read the section on the move-up form or under Move-ups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

**** NEW ** MIXED BREED OPTIONAL CLASSES**

Effective April 1, 2010 optional mixed breed classes may be offered at standalone all-breed AKC agility trials. **And we ARE offering Mixed breed classes!**

- All owners of mixed breed dogs must first obtain an [AKC Canine Partners listing number](#) before they may enter an AKC Agility event.
- Dogs entered in the mixed breed classes must list the breed name as “mixed breed” on the entry form and not as a breed hybrid. No other breed description may be used to identify a mixed breed entry.
- Additionally, the exhibitor must provide their AKC Canine Partners listing number on the entry form and check-mark “AKC No.” on the form.

A decision made by the AKC Board at the January 11, 2010 meeting.

New changes, effective April 1, include:

Mixed breed dogs will be permitted to compete in the same companion event classes with purebred dogs. Competition will be head to head for the same titles and awards.

*This eliminates **all previously published mixed breed classes** – mixed breed novice a or b etc.*

PLEASE USE NEW ENTRY FORMS!

- **Remember to check off one of the height card boxes.**
- **You do not need to send me your height card, I will just throw it out.**
- **Mixed Breeds Entries - Remember to mark your breed as Mixed Breed, no hybrid.**
- **If you send overnight delivery, please remember to sign the signature waiver.**

MOVEUP CLARIFICATION

Chapter 1, Section 19 of the *Regulations for Agility Trials* state:

As per Section 19, American Kennel Club Regulation for Agility Trials, dogs may be moved up to a higher class, at the request of the Owner, as a result of qualifying for an agility title. Dogs so moved up will be entered at the end of the running order or otherwise at the secretary's or Judges discretion.

Day-to-Day Move-ups: Move-ups from day-to-day at a set of back-to-back agility trials shall be at the discretion of the club. The request for moving up must be made to the Trial Secretary not later than the day preceding the event.

When is an exhibitor eligible to request a move-up?

If an exhibitor wants to move-up on the first day his/her dog is entered, the move-up must be submitted by the first deadline, which is by 6pm on the Monday before the trial in most cases. (See Chapter 1, Section 19 of the *Regulations for Agility Trials*.) Once an exhibitor has shown on their first day, then day-to-day move-ups apply.

Example 1: Sally is only entered in Novice STD on Sunday of a trial weekend that encompasses Friday – Sunday. Sally earned her NA title for Fluffy the previous weekend. Sally has until Monday @ 6pm to request a move-up for Sunday's entry. Sally may not request a day-to-day move-up on Saturday, since she is not entered on Saturday, she's only entered on Sunday. In order to move-up to a higher class level, she must notify the Trial Secretary that she wants/needs to move-up prior to the deadline preceding the trial weekend.

Example 2: Sally is only entered in Novice STD on Saturday and Sunday of a trial weekend that encompasses Friday – Sunday. Sally earned her NA title for Fluffy the previous weekend. Sally only has until Monday @ 6pm to request a move-up for Saturday's entry. If she doesn't move-up for Saturday's event by 6pm on Monday, Sally is allowed to move-up on Saturday to Open STD for Sunday's event because she was entered on Saturday.

Note: Day-to-day move-up acceptance is dependant upon whether the dog was entered on the day of the move-up request. The timeframe of when a dog has earned titles has no relevance in determining eligibility when accepting a day-to-day move-up.

NOVICE MOVEUPS: Dogs or Handlers having attained ANY AKC Agility Title (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes) for all trials that have reached the final closing date at the time that they get that first title. So be sure and contact the trial secretary to change your entry from Novice A to Novice B. Once a trial closing date has past, a dog cannot be moved from Nov A to Nov B. If the trial has already reached the closing date on the day the dog obtained its title, the dog shall remain in the class in which it was originally entered. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

Before the trial, Move ups may be made prior to the move-up deadline via email to Lltrialsec@optonline.net, or in writing to Cindy Medina, 294 Neptune Ave., W. Babylon, NY 11704-5815. Verbal move ups will not be accepted.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy and check "My dog has a **Temporary Jump Height Form**" box, otherwise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent Jump Height Card**" box on all future entry forms.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Reqst Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent Jump Height Card**" box on all future entry forms.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*

Questions regarding either the Simplified Jump Height Card Process or Mixed Breed Optional Classes should be sent to agility@akc.org.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. Mixed breed dogs enrolled in the AKC Canine Partners program may be eligible to enter all-breed AKC agility trials at the club's option. Mixed breed dogs entered in these events must list the breed name as "Canine Partner" (mixed breed) and not as a breed hybrid and must include their AKC Canine Partners number on the entry form and check the AKC No. box.
